# TECH TIP TUESDAYS

## online from home!

**FREE** group training sessions  
designed for seniors

**1st TUESDAY of the Month**  
**2:00PM to 3:00PM**

Join us, connect with other Seniors, make new friends, share stories, have a chat, a laugh, and learn a tech tip along the way.

These are 'virtual classrooms' using Zoom meetings. You participate from the comfort of your own home on your own device. For those that are new to Zoom meetings do not worry, we will help you every step of the way.

**Different tips each month for 12 months starting June 2023**

***"This is so much more than a technology lesson!"***
